

MSD INSTALLATION INSTRUCTIONS

MSD Pro Power Coil PN 8201

ONLINE PRODUCT REGISTRATION: Register your MSD product online. Registering your product will help if there is ever a warranty issue with your product and helps the MSD R&D team create new products that you ask for! Go to www.msperformance.com/registration.

Parts Included:

- 1 - Pro Power Coil
- 3 - Vibration Mounts

This Coil is designed for use with an MSD 7AL-2, PN 7220, 7AL-2 Plus, PN 7222, the 7AL-3, PN 7230 and MSD 8 Ignitions only.

Note: Do not connect to an MSD 6 Series or Digital Series Ignition Control.

Use the template to the right for help in mounting the coil with the supplied vibration mounts.

PRIMARY WIRE ROUTING

The primary terminals of the Pro Power Coil are located on the front of the coil. These wires must be routed away from the secondary terminal (coil tower) to prevent the chance of a misfire. Figure 1 shows the correct routing of the wires.

CAUTION: Due to some printer settings, it is recommended to compare the document to the actual part dimensions before drilling holes!

Pro Power Coil Mounting Template.

Figure 1 Primary Coil Wire Routing

Note: It is recommended to route the coil primary wires (orange and black) away from the magnetic pickup or trigger wires.

Service

In case of malfunction, this MSD component will be repaired free of charge according to the terms of the warranty. When returning MSD components for warranty service, **Proof of Purchase** must be supplied for verification. After the warranty period has expired, repair service is based on a minimum and maximum fee.

All returns must have a Return Material Authorization (RMA) number issued to them before being returned. To obtain an RMA number please contact MSD Customer Service at 1 (888) MSD-7859 or visit our website at www.msperformance.com/rma to automatically obtain a number and shipping information.

When returning the unit for repair, leave all wires at the length in which you have them installed. Be sure to include a detailed account of any problems experienced, and what components and accessories are installed on the vehicle. The repaired unit will be returned as soon as possible using Ground shipping methods (ground shipping is covered by warranty). For more information, call MSD at (915) 855-7123. MSD technicians are available from 7:00 a.m. to 5:00 p.m. Monday - Friday (mountain time).

Limited Warranty

MSD warrants this product to be free from defects in material and workmanship under its intended normal use*, when properly installed and purchased from an authorized MSD dealer, for a period of one year from the date of the original purchase. This warranty is void for any products purchased through auction websites. If found to be defective as mentioned above, it will be repaired or replaced at the option of MSD. Any item that is covered under this warranty will be returned free of charge using Ground shipping methods.

This shall constitute the sole remedy of the purchaser and the sole liability of MSD. To the extent permitted by law, the foregoing is exclusive and in lieu of all other warranties or representation whether expressed or implied, including any implied warranty of merchantability or fitness. In no event shall MSD or its suppliers be liable for special or consequential damages.

*Intended normal use means that this item is being used as was originally intended and for the original application as sold by MSD. Any modifications to this item or if it is used on an application other than what MSD markets the product, the warranty will be void. It is the sole responsibility of the customer to determine that this item will work for the application they are intending. MSD will accept no liability for custom applications.
